

IN ONE HEART WE ROCK

Community art project

We invite you to paint a medium size rock with an inspirational message of hope, you and your family are welcome to place your rocks from Monday to Thursday 9am to 2pm in the basketball court of your School, creating a heart shape to remind us that we are all together on this.

This week we will send some acrylic paint home for the project you are welcome to add other colors if you have.

When you take your rocks to School remember to keep your distance from others.

For any questions contact Rossana: at rossana.garcia-manzano@sd51.bc.ca
